Since 1994, “Beyond Me” has been the headwear industry leader not only in quality, but in new, unique styles and fashions at affordable prices. We continue to set market trends with a wide variety of materials, styles and construction features. Quality, service and innovation have always been our goals and we believe you will find them not only in our selection of headwear, but also in our service.

Research and development is the core part of our experimental design for all types of headwear. We keep an eye on modern trends and analyze the needs, demands and desires of our customers.

We continuously invest in R&D activities, by examining different materials, designs, assembly, and advance the technique for their applications. This will allow us to continually modify and update our customer’s products to preserve and improve their brand’s position within their market.

At “Beyond Me, we believe it is our responsibility to deliver quality hats with world-class customer service. To meet our customer needs, we provide service with utmost integrity and up-to-date industry knowledge, all while striving to reduce costs to maintain reasonable prices.

Beyond Me

Our Mission Statement:

- Driven by our strong and passionate commitment to our customers, we provide unsurpassed quality and service with honesty and integrity

Our Vision:

- Be a well-known and respected brand
- Be an excellent corporate citizen
- Be a financially sound company
